

K5 MultiControl V 10.0

April 2022

New functions

- **HelioSprint 2**
The new HelioSprint 2 engraving system is supported including the coarse screens 40 and 48!
- **Bug fixes**

Software compatibility

HelioDisk V 7.4
HelioCom V 10.0

SprintEasy requires version 5.0, otherwise there is a risk of damage to the touchmemory!
